POLITICS OVER A PINT

Sustainable Wallingford are doing politics with a difference! They have invited all four candidates for Wallingford in the forthcoming County Council elections to a Hustings in the Coachmakers Arms public house in St Mary's Street at 8.0 pm on Thursday 28 May. The main emphasis will be on green issues, but all areas of OCC activity will be covered. Come and hear the candidates and put your questions to them over a drink or bite to eat.

ENDS

Note to Editors:

1. John Gordon, who will be chairing the hustings, can be contacted on 01491 652 243, though he will be away between May 11th to 18th. If information is required whilst he is away, contact Chris Cussens (01865 891197, chris@mokescorner.co.uk).
2. Sustainable Wallingford (Suswal) are a non-party group working to make local people more aware of environmental issues and the urgent need to adapt our individual aspirations and lifestyles accordingly. We recognise the key role of local government in helping make the transformation needed to a more sustainable and resilient society more able to face up to the stresses of global warming and peak oil. Naturally the candidates' views on these and related issues are of great interest to us, and to the wider Wallingford electorate, in the context of how they would act if elected to the OCC.
