

Help your community

Join the Draughtbusters

A successful, growing project to

- get rid of draughts
- make homes warmer
- save energy

We are looking for volunteers

Handy at fixing things? This is the ideal project for you. There are many older, draughty properties in the OX10 area which could benefit from this service.

As a volunteer Draughtbuster you will make a considerable difference to home owners/occupiers:

- **Houses** will feel much warmer and more comfortable
- **Energy bills** will be reduced.

Draughtbusters will receive

- **Training** on how to find and fix draughts
- **Draughtbusting kits**
- **Addresses** where your services are needed, working in pairs
- **Support** from the Administrator and the Core Group of Sustainable Wallingford.

How much time will you need to give?

As little or as much as you feel able to do. After all, you are volunteering!

Volunteers must be 18 or over.

What's involved?

Here's an example:

<https://readinguk.org/draughtbusters/>

Sustainable Wallingford and **Cholsey Environment Champions** are working together on the recruiting and training. According to where you live please contact:

sw@sustainablewallingford.org

or

ec@cholseyparishcouncil.gov.uk
