Sustainable
Wallingford

We Need You!

**To help us make Wallingford
a smarter, greener and fairer
place for us all to live!**

What we do

...and what we hope to do!

Energy Efficiency

Improving the energy efficiency in our homes.
e.g. draught-proofing

Renewable Energies

Promoting and introducing local renewable energy facilities. *e.g. Solar panels, wind turbines*

Transport

Improving public transport services and promoting walking, cycling and car sharing. *e.g. car share clubs*

Recycling & Waste

Promoting recycling, reuse and waste reduction.

e.g. swap shops, repair cafés

Agriculture & Biodiversity

Promoting locally-sourced food and protecting our natural habitats.

e.g. Incredible Edible

Community

Events to encourage a more sustainable lifestyle and better wellbeing for our local community.

e.g. Neighbourhood Nosh

Can you help us?

☐ **2 hours a month?**
Volunteer for a one-off event or for an ongoing project of your choice.

☐ **1 hour a week?**
Join our core group of local people and help coordinate a project of your choice.

☐ **Time at home, online?**
Support us with administration tasks or online communications i.e. campaigning or promoting a project on social media.

☐ **DIY skills?**
Help us build, make or fix things either as a one-off for a project or as part of our core support team.

We 100% rely on the support of our amazing volunteers

We have projects suitable for all ages and abilities, whether you want to do something for your community, help the environment, learn a new skill, or meet new people. Even an hour a month can make a difference, so please get in touch!
About us

Sustainable Wallingford is a community group of people living locally and working together to help build a greener future for Wallingford and the wider area.
We organise events and projects on issues including energy, waste, transport, food, and biodiversity, following the guiding principles of the UK Sustainable Development Strategy to be:

**Living within the planet's environmental limits;
Achieving a sustainable economy;
Using sound science responsibly.**

Our goals locally are to:

✓ Help reduce the carbon footprint of Wallingford.

✓ Promote a sustainable and resilient lifestyle for our town without fossil fuels.

✓ Promote carbon and energy-use reduction.

What else can I do?

Attend a meeting
These informal meetings take place once a month (please check our website to find out when the next one is!). Come along to share ideas or just listen in.

Become a member
You can support us by becoming a member for a one-off cost of £5. This helps us build our network and provides some additional funding for our projects.

Spread the word
If you can't join meetings but would like to help then become a member and help spread the word about the issues that matter on your own networks.

To find out more or to become a member visit our website:

www.sustainablewallingford.org
